

Referral Program

Dear Valued Client:

We all know referrals are one of the best sources of new business, so we would like to introduce you to our referral program in the hope you will take advantage of this terrific offer.

We all know of businesses that use or need an answering service. Doctors, attorneys, dentists, accountants, cleaning services, landscapers, apartment managers, electricians, plumbers and A/C specialists are all possible referrals.

Because most people come in contact with these types of businesses, we hope our referral program can be a benefit to your company.

Here's how it works: you **MUST** fax this completed form to 800-421-9973 or visit our support web site to submit a an online referral form (http://support.answerfirst.com/form_referral_form.php) to receive your credit (these submissions are received by our billing department). When the new client signs a contract with AnswerFirst and we have determined a billing cycle of usage, **we will credit a referral fee of one billing cycle of usage up to \$250.00 maximum to your account.**

We know this program can be a valuable asset for our clients. We have had clients refer larger clients to us, giving them a credit equal to the new account's monthly rate, which sometimes has equaled four to five months of **FREE** service for them. We also have clients who have referred multiple new businesses to us and received as much as half a year of service free.
